## OFFICIAL INFORMATION ACT REQUEST

I refer to your official information request of 16 October 2025 for:

- *A list of all AI tools that are currently approved for use by staff at your agency.*
- *Any documentation outlining the conditions, guidelines, or policies attached to the approval and use of these tools.*
- *For each approved tool that is not free to use, please provide the number of paid licenses or subscriptions the agency currently holds. I confirm that I do not require any commercially sensitive information (e.g. licence costs), merely the number of authorised users.*
- *Copies of all completed Cloud Risk Assessments and Privacy Impact Assessments (or equivalent documents) for each of the approved AI tools.*

The Ministry for Women is actively exploring the use of AI to support its business, including use by staff. However, there are not currently any AI tools approved for use by staff and policies and other documentation are still under development.

### **Official Information Act responses**

Please note that this response, with your personal details redacted, may be published on the Ministry's website.
