OFFICIAL INFORMATION ACT REQUEST

I refer to your official information request of 4 July 2026 for:

- *I note that in your report, "Summary of Women's Representation by Administering Agency" you have listed the number of boards administered by each ministry and department.*

- *To help me understand the underlying data used in the report, could you please provide, under the Official Information Act, the names of all the boards included under each ministry and department?*

Some of the information you have requested is enclosed. **See Appendix 1**, for a list of boards included under each ministry and department in relation to the 2025 Stocktake of gender and ethnic diversity on public sector boards and committees.

Please note that in cases where an agency administers fewer than two boards, or has overseen the appointment of fewer than two members, we have redacted the name of the board under section 9(2)(a) [to protect the privacy of individuals] of the Official Information Act 1982. Release of this information is likely to identify the ethnicity of individual members that may not be publicly available.

Official Information Act responses
Please note that this response, with your personal details redacted, may be published on the Ministry's website. If you have any concerns or comments related to this, please let us know by emailing ministerialservicing@women.govt.nz, within two weeks of the date of this letter.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
